(ISC)²

Information Systems Security Architecture Professional (ISSAP) Certification Training

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

Phoenix TS CISSP-ISSAP course will review six major domains of the Information Systems Security Architecture Professional (ISSAP) Concentration. Participants will be able to address the analytical process of information security.
