Business Strategies for Women

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

The two-day instructor-led training course teaches women how to leverage on female qualities to achieve success. This course introduces students to 12 traits that can help you excel as a leader, and also teaches how to eliminate 12 tendencies that could be hindering progress.

By the end of this course students will be able to:

- develop confidence while sharpening professional and relational skills
- let go of unproductive thoughts and habits that sabotage success
- create a transformative, participative, and inclusive organization
