EC-COUNCIL

CCISO - Certified Chief Information Security Officer (CCISO)

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

Our 5 day, instructor -led CCISO certification course is designed to teach and verify executive security professionals who aspire to become Chief Information Security Officers (CISOs). The training addresses the five core domains required to master for the certification, which includes the management of information security (IS) governance programs and best practices to implement and maintain as a security executive within an enterprise environment.

This course covers:

- Governance - Policy, Legal and Compliance
- Information Security (IS) Management Controls and Auditing Management
- Managing Projects and Operations - Projects, Operations and Technology
- Core Competencies of IS
- Strategic Finance and Planning

Schedule

Currently, there are no public classes scheduled. Please contact a Phoenix TS Training Consultant to discuss hosting a private class at 240-667-7757.
