PROJECT MANAGEMENT INSTITUTE (PMI) **CAPM (Certified Associate in Project Management)**

The CAPM certification verifies a project manager or project team member's knowledge in project management concepts, fundamentals and best practices for starting their career.

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

Our 5-day, instructor-led Certified Associate in Project Management (CAPM) Certification Training course is intended for project managers early in their career. It will provide core skills such as how to:

- Initiate & manage a project
- Estimate a timeline & develop a schedule
- Organize human resources
- Integrate workflow
- Analyze cost
- Measure quality
- Identify the processes of project management

This course will fully prepare you for the CAPM® Certification exam. There are no prerequisites for this course.

**PMP, PMI, Project Management Professional, Project Management Professional (PMP), CAPM, Certified Associate in Project Management (CAPM) and its logos are registered marks of the Project Management Institute.*

CAPM Certification Training FAQs

Who should earn the CAPM certification?

Project Managers and Project Team members in the early stages of their career.

What is the average salary for someone with a CAPM Certification?

According to payscale.com, a professional with the CAPM certification earns an average of \$66,000 annually.

Does the CAPM Certification expire?

CAPM certification holders need to renew their certification every 5 years but they do not need to earn professional development units in between renewal periods to maintain their certification.

PhoenixTS

301-258-8200 | Sales@PhoenixTS.com | www.PhoenixTS.com

Is the CAPM Certification worth it?

If you are just starting out your project management career or you aspire to earn a role as a project manager, CAPM is a great starting point. It is also a great starting point for professionals who do not meet the project management hours required by the PMP certification.

If you have already been working as a project manager, then skipping straight to the PMP Certification Training course may be a better move for you.

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Starting at **\$2,175**
