CISCO

COLLAB250/350 Certification Training

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

Our 2 day, instructor-led Cisco COLLAB250/350 (Meeting Server Intermediate) training and certification boot camp in Washington, DC Metro, Tysons Corner, VA, Columbia, MD or Live Online is a lab-based, hands-on course designed to establish a minimum level of knowledge and competency among Cisco Meeting Server resale and installation partners, which enables them to install, troubleshoot, and maintain a single server and single server split deployment of Cisco Meeting Servers (CMS). This course will demonstrate:

- Installing a Cisco Meeting Server in a single combined deployment
- Installing a Cisco Meeting Server in a single split deployment
- Troubleshooting tools
- Integrating Cisco Meeting Server with Cisco TelePresence® Video Communication Server (VCS), Cisco Unified
- Communications Manager and Microsoft Skype for Business

Course Registration

Candidates can choose to register for the course by via any of the below methods:

- Email: Sales@phoenixts.com
- Phone: 301-582-8200
- Website: www.phoenixts.com

Upon registration completion candidates are sent an automated course registration email that includes attachments with specific information on the class and location as well as pre-course study and test preparation material approved by the course vendor. The text of the email contains a registration confirmation as well as the location, date, time and contact person of the class. Online enrolment closes three days before course start date. On the first day of class, candidates are provided with instructions to register with the exam provider before the exam date.
