Course Overview

The EC- First Certified Security Compliance Specialist (CSCS) is a unique course of its type in the compliance and security industries – indeed the first of its type in the world. It is laser-beam focused on thoroughly examining compliance requirements and establishing best practices that can be applied in securing today's digital business information infrastructure. This course will:

- Review industry standards including: PCI DSS, GDPR, ISO 27001, HIPPA and FISMA
- Evaluate American Standards of Compliance: NIST guidance and special publications
- Understand U.S state government information security mandates
- Explore best practices to build a credible compliance and cyber security program

This course can be used to prepare for the CSCS exam.

Currently, there are no public classes scheduled. Please contact a Phoenix TS Training Consultant to discuss hosting a private class at 301-258-8200.
