PHOENIX TS

Decision Making / Problem Solving / Strategic Thinking Training

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

We make decisions and solve problems continually. This training course teaches participants that their key to finding solutions is not just creativity. Participants will learn to identify options, research those options, and then put them into action. Content will include problem solving steps and tools, how to analyze information to clearly describe problems, and creating a plan for implementing the solution. This course teaches individual and team problem solving methods.

Schedule

Currently, there are no public classes scheduled. Please contact a Phoenix TS Training Consultant to discuss hosting a private class at 240-667-7757.
