Course Overview

Phoenix TS' 2-day Disciplined Agile Scrum Master (DASM) course will help you understand all the benefits

of agile, and make it work for you and your organization. DASM equips you to successfully lead agile teams, thereby future-proofing your career in a world in which agile is fast becoming the way forward. This course is also recommended to help those preparing to take the DASM certification exam.

Course Objectives

At the completion of this course, participants will be able to:

- Grasp the fundamentals of agile and lean, and how you can practically use both approaches to produce value for your teams.
- Explore multiple agile and lean techniques from methods such as Scrum, Kanban, SAFe®, and more.
- Understand how to put these techniques into practice and ensure successful agile implementation.
- Appreciate the DA™ mindset and its underlying principles, such as pragmatism, the power of choice, and adapting to context.
- Learn how to apply the Disciplined Agile tool kit to discover the most effective way of working (WoW) for you, and your team in your unique situation

Phoenix TS is a PMI Authorized Training Partner which means you are guaranteed quality DASM course delivery by authorized PMI Instructors.
