PHOENIX TS

Federal Appropriations Law (3 Days)

This Training teaches students the fundamentals of appropriation law, how to determine the legal availability of appropriations, the legal obligation of funds, how to ensure the correct fund sources are charged for obligations and the correct course of action when funds must be transferred or reprogrammed.

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

Phoenix TS' three (3) day Instructor-led Federal Appropriation Law training course is designed for program managers, accountants, budget analysts, auditors, purchase cardholders, approving managers, contracting officers, certifying officers, and attorneys that work for the federal government. Participants will learn the basics of appropriations law, how to determine the legal availability of appropriations, the legal obligation of funds, how to ensure that the correct fund sources are charged for obligations, and the correct course of action when funds need to be transferred or reprogrammed. Participants will also learn how to avoid a negative audit or congressional report, violations of the Anti-Deficiency Act (ADA), and spending personal money to correct errors. Topics include:

- Basics of appropriations law
- Determining the legal availability of appropriations
- Legal obligation of funds
- Ensuring correct fund sources are charged for obligations and the correct course of action when funds need to be transferred or reprogrammed.
- Avoiding a negative audit or congressional report, violations of the Antideficiency Act (ADA) and spending personal money to correct errors
