Fostering Innovation

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

This one-day instructor-led training course covers the essential elements of fostering innovation in the workplace. Through the course, students will understand ways they can create an innovative workspace, key traits associated with innovative leaders in the workplace, as well as specific processes and workflows that can be implemented to help their entire team become innovative thinkers.

By the end of this course students will be able to:

- Understand what fostering innovation means
- Learn what an innovative workplace looks like
- Determine how you can help create an innovative workplace environment
- Understand your role in helping to foster innovation
- Know what happens in the workplace when you help foster innovation
- Describe ways that innovation can help your company
