Improving Habits

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

In this live, online course, students explore various time management, organizational tools and techniques, and problem solving methods so that they can accomplish more each day, and make decisions that bring rewards to the team. Participants will build a customized productivity plan for their professional lives. In addition, this course will teach participants to solve problems and make better decisions. They will learn to identify options, research them, and then put everything together in a way that works.

At the conclusion of this course, participants will be able to do the following:

- Identify what personal efficiency is, what skill sets can improve your personal productivity, and what attitudes we should cultivate
- Explain why multi-tasking is a myth
- Describe what role long-term goals play in short-term efficiency
- Apply the 80/20 rule and learn how it should affect planning
- Identify the characteristics of a good organizational system
- Develop a plan for an efficient workspace, including a customized information center and a filing system
- Apply a system that will allow you to process any type of information that crosses your desk, including e-mail, electronic files, paper files, voice mail, text messages, and drop-in visitors
- Use the Eisenhower principle to prioritize work
- Say No
- Use routines to simplify your life
- Understand why you procrastinate and develop methods for tackling tasks
- Apply problem solving steps and tools
- Analyze information to clearly describe problems
- Identify appropriate solutions
- Think creatively and be a contributing member of a problem solving team
- Select the best approach for making decisions
- Create a plan for implementing, evaluating, and following up on decisions
- Avoid common decision-making mistakes
