# **Introduction to Leadership**

**BONUS! Cyber Phoenix Subscription Included:** All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

# **Course Overview**

This 5 – day, instructor led exciting course uses the principles of adult learning to help participants recognize leadership concepts. Through discussion, group interactions, and individual activities, students will define what they want to get out of this course, and then learn the skills to apply it to their workplace. Once employees learn the techniques of true leadership and influence, they will be able to build the confidence it takes to take the lead. The more experience workers have acting as genuine leaders, the easier it will be for them. It is never easy to take the lead, as workers will need to make decisions and face challenges, but it can become natural and rewarding. At the conclusion of this course, participants will be able to:

- · Define "leadership"
- Explain the Great Man Theory
- Explain the Trait Theory
- Understand Transformational Leadership
- Understand the people you lead and how to adapt your leadership styles
- Explain leading by Directing
- Explain leading by Participating
