ITIL®

# ITIL® Capstone - Managing Across the Lifecycle (MALC) Certification Training

This accredited program is for individuals searching to take the final class to ITIL Expert.

**Due to Covid-19 safety restrictions** PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

## Course Overview

Our 5-day, instructor-led ITIL® Capstone - Managing Across the Lifecycle (MALC) training and certification boot camp in Washington, DC Metro, Tysons Corner, VA, Columbia, MD or Live Online is targeted toward IT professionals in the Service Management field, and it is the last step before reaching the ITIL® Expert Level. It covers:

- Service Lifecycle key concepts
- Managerial function
- Risk management
- Lifecycle Project Assessment
- Understanding organizational challenges
- How to manage the planning & implementation of IT Service Management

This course will prepare you for the ITIL® MALC Qualification exam.

Before taking this course, you must have the [ITIL® Foundation Qualification](#) and at least 15 credits from [ITIL® Intermediate qualifications](#).
