PHOENIX TS

Knowledge Management

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

Understanding how to manage the knowledge within your organization is the key to business success. Mismanagement of organizational knowledge comes with a price: frustrated employees, angry customers, and decreased productivity. All of these things can affect a business' bottom line. The purpose behind knowledge management is to help us bridge organizational gaps and to use our greatest asset (our knowledge) to take our business performance to the next level. The theory of knowledge management has emerged to help us harness and enhance both the individual and collective brain power of our businesses. This workshop will introduce participants to knowledge management tips, techniques, and proven processes.

Course Includes:

- Expert instruction
- Exercises
- Courseware books, notepads, pens, highlighters and other materials
- Full breakfast with variety of bagels, fruits, yogurt, doughnuts and juice
- Tea, coffee, and soda available throughout the day
- Freshly baked cookies every afternoon - *only at participating locations

At the end of this workshop, you will be able to:

- Define knowledge and knowledge management
- Explain the difference between explicit and tacit knowledge.
- Identify various knowledge management rhetorical models.
- Explain how a properly implemented knowledge management program can improve efficiency.
- Describe the steps for employing a new knowledge management program in an organization.

- Identify the required components for implementing a knowledge management framework within an organization.
