COMPTIA

CompTIA Network+

Phoenix TS is proud to be a CompTIA Authorized Platinum Partner; which is the highest level of partnership awarded by CompTIA!

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

Phoenix TS Network+ accelerated course provides participants with preparation for the Network+ certification exam. Participants will gain the skills and knowledge required to perform installation, management, and troubleshooting on various networks living and platforms.

Our 5-day instructor-led Network+ training and certification boot camp in Washington, DC Metro, Tysons Corner, VA, Columbia, MD or Live Online will lead students through exam objectives such as network technologies, media and topologies, installation and configuration, security and management. Upon completion of training, candidates will be prepared to tackle the Network+ certification exam administered on the last day of class.

Course Outline

Introduction

- Course setup
- Network skills pre-assessment

Fundamentals

- Networking concepts
- Classifying networks
- Network models
- Troubleshooting process

Physical Networks

- Connection technologies
- Network devices
- Copper media
- Optical media
- Ethernet standards

TCP/IP Networks

- IP addressing
- Core protocols

- Network ports and applications

Internetworking

- Switching
- Routing

Wireless LANs

- Wireless networks
- Wireless LAN standards

Wide Area Networks (WANs)

- Internet connections
- WAN infrastructure

Cybersecurity Principles

- Goals and threats
- Digital security
- Transportation encryption

Defending Networks

- Network security components
- Network authentication systems
- Hardening networks

Evolving Network Technologies

- Network convergence
- Virtual and cloud systems

Network Operations

- Monitoring and optimization
- Fault tolerance and disaster recovery
- Incident response

Network Planning

- Network policy design
- Network installation
- Maintenance and upgrades

Network+ Exam N10-007

Exam Details

- Number of Questions – 90
- Passing Score – 720 on scale of 100-900
- Duration – 90 minutes
- Format – multiple choice and performance-based
- Delivery – Pearson VUE

Exam Objective	% of Exam
Networking Concepts	23%
Infrastructure	18%
Network Operations	17%
Network Security	20%
Network Troubleshooting and Tools	22%
