PHOENIX TS

Planning, Programming, Budgeting and Execution (PPBE) Training

This DoD and Federal Government training course teaches students about the roles and relationships involved in the PPBE process, the services program and budget submissions, the congressional enactment process and the effect on PPBE and DoD budget execution.

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

Phoenix TS' Instructor-led training course is for individuals responsible for the federal government's financial, programs, and resource management. Federal Employees would benefit from learning more about the development of budgets within Federal agencies. Participants will learn about the roles and relationships involved in the PPBE process, the services program and budget submissions, the congressional enactment process and its effect on PPBE, and the basic elements of budget execution.

Schedule

Currently, there are no public classes scheduled. Please contact a Phoenix TS Training Consultant to discuss hosting a private class at 301-258-8200.
