PROJECT MANAGEMENT INSTITUTE (PMI)

PMI RMP (PMI Risk Management Professional)

This training prepares students for PMI Risk Management Professional (PMI-RMP®) certification. The PMI-RMP® fills the need for a specialist role in project risk management.

BONUS! Cyber Phoenix Subscription Included: All Phoenix TS students receive complimentary ninety (90) day access to the Cyber Phoenix learning platform, which hosts hundreds of expert asynchronous training courses in Cybersecurity, IT, Soft Skills, and Management and more!

Course Overview

Through expert lecture and class exercises, this course prepares the student to take on or improve the risk management specialist role on his or her organization's project teams. In addition to preparing the student for the PMI-RMP® certification exam, this course teaches basic project management skills and improves the student's expertise in minimizing risk to employers.
