AWS

Practical Data Science with Amazon SageMaker

In this class you will learn about prepping data sets for machine learning and thinking about results

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

In this 1-day AWS course, students will learn about the stages of a data science process for Machine Learning. The course will teach students to:

- Understand a Data Set
- Identify the aspects of model building
- Demonstrate the capabilities of Amazon SageMaker

Prerequisites

This course requires some understanding of programming languages.

Duration

1 day

Price

\$699
