Project+ Certification Training

Phoenix TS is proud to be a CompTIA Authorized Platinum Partner; which is the highest level of partnership awarded by CompTIA!

Due to Covid-19 safety restrictions PhoenixTS will temporarily be unable to provide food to our students who attend class at our Training Center; however, our Break Areas are **currently open** where students will find a constant supply of Coffee, Tea and Water. Students may bring their own lunch and snacks to eat in our breakrooms or at their seat in the classroom or eat out at one of the many nearby restaurants.

Course Overview

Our 5-day instructor-led Project+ training and certification boot camp in Washington, DC Metro, Tysons Corner, VA, Columbia, MD or Live Online validates core knowledge of project life cycles, project roles, and skills necessary to effectively initiate, plan, execute, monitor and close a project. Project+ certifies the business, interpersonal and technical project management skills required to successfully manage projects and business initiatives.

- **Project+ answers essential business requirements**

Companies increasingly require employees to understand project management skills. 15.7 million new project management roles will be added globally across seven project-intensive industries by 2020.*

- **Project+ opens new career opportunities**

Project Management is fourth in specialized skills in IT job postings. It is also the third hottest in demand tech skill with 39% of respondents with hiring plans said they will be seeking people with this skill in the next 12 months.**

- **Project+ can be your path to higher earnings**

Current salaries for project managers range from \$80,000 to \$116,000 in the United States.

This course will fully prepare you for the CompTIA Project+ Certification exam.

Prerequisites

Project+ is intended for candidates possessing at least 12 months of cumulative experience in leading, managing, directing and/or participating in small- to medium-scale projects.
