

DoD Directive 8570.01M

The U.S. Department of Defense Directive 8570.1 requires all full-time and part-time military service members, defense contractors, civilians and foreign employees with privileged access to a DoD system, regardless of job series or occupational specialty, to obtain a commercial certification credential that has been accredited by the American National Standards Institute (ANSI).

Phoenix TS has extensive experience providing 8570.1 training courses to personnel from government agencies such as U.S. Army, DISA and U.S. Air Force as well as contractors. Live virtual training and dedicated on-site classes are available, allowing your team to receive training when and where it is convenient. Phoenix TS also offers open-enrollment training classes at its state-of-the-art training centers located in Columbia, MD and Alexandria, VA.
