WHY SHOULD YOU INVEST IN THE FLEX SAVINGS PLAN?

- * If you have a team that needs training at different times or in different subject areas you can still purchase at a group rate by investing in this plan
- * If you have a training budget that is about to expire you can preserve your funds for 18 months and take the time to determine what training you really need
- * If you oversee your organization's entire training program you can invest at the beginning of your year, ensuring you maximize your spending ability through the exclusive discounts offered
- * If you don't want to directly manage your training funds, you can leverage this plan to let us manage the budget and enroll students as you need us to

WHAT YOU NEED TO KNOW

- * Use funds on most publicly scheduled courses
- * Applies to ILT, live online & private classes
- * Exclusive rates applied against full list price
- * Can't be combined with other promotions
- * Can only be used toward training seats
- * Does not apply to partner or reseller classes
- * Other terms and conditions apply

and more!
